HAPPY NEW YEAR

We are happy to present to you our **FIRST EVER Newsletter**. The purpose of our newsletter is to inform our customers about the happenings going on at NNTC as well as to share important information and knowledge to all of you. We look forward to hearing your thoughts and ideas on the newsletter. Feel free to email nntc@nntcwireless.com with any ideas you may have.

THANK YOU!

NNTC has been busy converting to a new billing company, and as many of you know, there have been some changes. We truly appreciate everyone's patience and understanding while we work through this process and while we are learning more about the new company.

Even though the road hasn't been easy with this change, it was something our company felt was crucial to do in order to better serve our customers in the future. This conversion will offer options to our customers that we would not have been able to do otherwise.

COMING SOON!!! ON-LINE BILL PAY!!! This has been requested by a few of our customers and we are excited to say we are working on this and it will be available to you as an option in the near future.

Thank you to our customers, family and friends for making our 73rd year so successful. All of us at NNTC, wish each of you a HAPPY NEW YEAR and may the new year bring you joy and happiness.
